

God's Grace in the Everyday

Hebrews 4:13-16

Notes from today: _____

Challenge your Thinking

Sunday 12 February (Nicky Lock)

The Everyday Reality Of Domestic Violence

Despite publicity given to rates of domestic violence, its prevalence isn't changing. It's important for us to talk about domestic violence so we can recognise it and help bring about change.

Sunday 19 February (Natasha Moore)

What Has Christianity Ever Done For The World?

As we look at Christianity's influence on the world, we will weigh up the good, the bad and the ugly - and the unexpected, to find a clear-eyed, humble, but confident view of its contributions to individuals and societies.

Sunday 26 February (Darren Waters)

Understanding The Uniqueness Of Christian Marriage

The past year has seen much discussion on the idea of 'Marriage Equality'. To help us engage we need to think through what is unique about the traditional Christian understanding of marriage.

Starting at 6pm each Sunday Night

The only things we can keep are the things we freely give to God. What we try to keep for ourselves is just what we are sure to lose.
